Education

Syracuse University: College of Arts & Sciences | School of Information Studies

May 2025

B.S in Psychology & B.S in Information Management & Technology: Concentration in Web Design

Dean's List Recipient Spring 2024, Fall 2024

Relevant Coursework

Introduction to Python, Project Management, Introduction + Advanced Front-End Web Development, Digital Strategies & Analytics for Web Development, Graphic Design for the Web, Introduction to Database Management Systems, Social Psychology

Projects

Graphic Design for the Web

2025

- Designed a personal portfolio website by applying UI/UX principles while wireframing in Figma, building responsive layouts with Bootstrap, HTML, CSS, and JavaScript, and created custom visuals with Adobe Illustrator, Photoshop, and After Effects

NYC MTA Covid Ridership

2024

- Developed a database analyzing NYC MTA ridership trends (2020–2024) using Python, leveraging Pandas for data processing and advanced libraries for visualization with an interactive map showcasing different payment methods

NYC Hotspots

2023

- Created a functional website showcasing 6 NYC hotspots, implementing smooth navigation and interactive features within the site utilizing HTML, CSS, and JavaScript

Leadership Experience

President || Mexican Student Association at Syracuse University

08/2024 - Present

- Foster a rapidly growing 150+ member organization by organizing large-scale events, collaborating with the Executive Board while strengthening relationships with campus administration and student organizations, boosting engagement and visibility
- Overlook a \$25,000 semester budget to fund events, initiatives, and operational costs, ensuring financial accountability and enabling consistent programming
- Led the execution of five high-impact events in one semester, attracting approximately 450 attendees in total—doubling attendance from the previous year and reinforcing the organization's role as a key cultural hub on campus

Graphic Designer || Mexican Student Association at Syracuse University

08/2023 - 05/2024

- Designed visually engaging posters, flyers, and social media content through Adobe Photoshop and Canva, amplifying event visibility and engagement
- Executed data-driven social media strategies to reinforce the organization's online presence, driving engagement and awareness on events and activities
- Increased followers by 32% in 6 months by navigating research and leveraging social media analytics to assess post-performance, identify trends, and optimize content for enhanced reach and engagement

Work Experience

Food Service Associate || CoreLife Eatery

09/2021 - Present

- Serve 300+ customers during peak hours at one of CoreLife's top-performing locations to ensure efficiency and customer satisfaction
- Conserve efficiency while coordinating with team to streamline workflows, minimizing wait times and improving dining experiences
- Adapt quickly to fluctuating volumes and order complexities, meeting customer preferences and maintaining quality standards

Sales Associate || UNIQLO NYC Flagship

05/2024 - 08/2024

- Delivered exceptional customer service to 2,500+ local and international customers daily at UNIQLO's Fifth Avenue flagship store, a high-traffic location generating \$500K+ in daily sales
- Worked together with team members to navigate peak-hour rushes, ensuring seamless customer experiences
- Upheld inventory records and applied product knowledge to recommend suitable products and promotions, driving sales performance

Barista/Cashier || Nordstrom NYC Flagship

05/2023 - 08/2023

- Prepared beverages in a lively café at Nordstrom's NYC Flagship, catering to an upscale customer base
- Provided personalized customer service to an average of 150+ customers, ensuring a positive guest experience in a fast-paced setting
- Analyzed daily sales trends to identify popular items and optimize offerings to improve product performance

Barista – Shift Leader || Gonuts Doughnuts

11/2020 - 08/2022

- Joined during opening phase, taking on foundational responsibilities as business grew, contributing to long-term operational success
- Trained and supervised new team members, improving service quality and ensuring smooth daily operations
- Prepared specialty coffee while maintaining exceptional service in a high-volume environment, managing 100+ customers per shift
